## Four Treasures: Taiwan, Shanghai, Suzhou and Hangzhou

April 7 - 21, 2019

Travel with the SAA for a two-week exploration of four iconic areas famous for Chinese art, culture, history and diverse cuisines. Accompanying us on this memorable trip is Dr. Jeffrey Riegel, the former UC Berkeley professor who led the terrific SAA 2013 China trip. Our planned itinerary starts in vibrant Taipei, continues to the beautiful mountainous northern area and then heads to the central part of the island. We then fly from Taipei to Shanghai where we experience what makes this city so special. Our journey continues with two nights each in Suzhou, “the Venice of the East”, and Hangzhou with its beautiful West Lake. We then return to Shanghai for a visit to a noted artist's studio and culminate our journey with a very special farewell dinner.
